Dear Sir:

Responding to your letter of September 10th, the annual dues of an Associate Member of the Society are Five Dollars, and for this one receives our publications which, however, are not in the nature of a magazine. Your question in this regard makes me think that you may be referring to The Numismatist which is published monthly by the American Numismatic Association, with which our Society is often confused. If this is not what you meant, and you care to make out an application for Associate Membership in The American Numismatic Society, please let me know, and I will forward you a card for application.

Very truly yours,
